ADVANCED BLEACHING SEMINAR & HANDS-ON

by Dr Linda Greenwall

Two day training for Gold membership accreditation with the British Dental Bleaching Society (BDBS).

After the completion of the course participants will be eligible for Gold Membership of the BDBS.

The theoretical part of the course aims to teach about different Bleaching Techniques in general, discussing indications and contradictions for all types of bleaching, advantages/disadvantages, why do teeth discolour and types of tooth discoloration.

Participants will learn practical techniques in detail about home bleaching, power bleaching, internal bleaching, over the counter bleaching treatments, the current controversies in bleaching teeth, the current legal situation. Learn about Microabrasion; indications and advantages. The course will demonstrate how bleaching treatments can be incorporated into simple aesthetic dentistry and advanced restorative dentistry.

The theory will be followed by a full day of hands-on practice in all types of dental bleaching.

The cost of the two day course is £750.00.

If paying by cheque, please make it payable to Dr L Greenwall
